If you received a welcome email then

- 1. Visit ebookingonline.net/box/484

4. Click on the "Forgot User ID or Password" link.

If you didn't receive a welcome email contact a member of the committee and ask to have a password set for you. You can then change this password after you first log in.

**On Apple devices**: tap the bookmark icon (a box with an upwards-pointing arrow - - at the middle of the bottom of the screen), then select "Add to Home Screen".

## **Book a Court**

You must be logged in to book a court.

- 1. Click on an available slot.
- 2. Enter the other player(s), if known. They can be added now or later, or left blank (for single play). If you're playing a guest then, on the full site, click on the head next to the "Player 2" box. On the mobile site click "Add Player", and then "Add Guest".
